

TEXCELROTORS ROBOTICS CLUB

STANDARD OPERATING PROCEDURE (SOP)

1. Purpose -

This SOP defines the operational structure, membership policies, financial guidelines, and project execution process for **Texcelrotors Robotics Club** to ensure smooth functioning, transparency, and efficiency.

2. Objectives -

- Promote **robotics, automation, and AI** among students.
 - Provide hands-on learning experiences through technical projects.
 - Organize **workshops, competitions, and guest lectures**.
 - Represent the college in **national and international robotics competitions**.
 - Collaborate with **industry experts, companies, and academic institutions**.
-

3. Membership Guidelines -

- **Eligibility:** Open to all students of the college from any branch.
- **Membership Categories:**
 - **New Members:** Students joining the club for the first time.
 - **Renewing Members:** Students who have completed one year in the club.
- **Fee Structure:**
 - **New Members:** ₹10,000 per year (payable in two installments of ₹5,000 each).
 - **Renewing Members:** ₹2,000 per year.
- **Responsibilities:**
 - Active participation in club projects, competitions, and meetings.
 - Contribution to club activities, mentoring juniors, and maintaining discipline.
- **Non-Payment Penalty:**
 - If a member fails to pay the second installment on time, they will be given a **grace period of 15 days**.

- After that, they will be **temporarily suspended** from club activities until the payment is made
- Renewing members must pay within the **first month of the new term** to maintain active status.

4. Leadership & Core Team Selection –

- **Organizational Structure:**
 - **President:** Leads the club and oversees all activities.
 - **Vice President:** Assists the president and manages internal affairs.
 - **General Secretary:** Maintains records, documentation, and official communication.
 - **Technical Head:** Leads technical projects, training, and innovation initiatives.
 - **Event Coordinator:** Manages workshops, competitions, and logistics.
 - **Treasurer:** Handles financial transactions, budgeting, and sponsorships.
 - **Mentors:** Alumni or senior members providing technical and strategic guidance.
- **Selection Process:**
 - The **President and Vice President** will be selected based on leadership skills, past contributions, and performance in the club.
 - Other core team positions will be appointed based on **interviews, project involvement, and experience.**
 - Leadership roles are held **for one academic year**, with re-elections at the end of the term.

5. Meetings & Communication –

- **Regular Meetings:** Weekly or bi-weekly to discuss project updates and upcoming events.
- **Emergency Meetings:** Conducted as needed for urgent decisions or competition preparations.
- **Communication Platforms:** WhatsApp/Discord for quick updates, and email for formal communication.
- **Meeting Documentation:** The **General Secretary** records meeting minutes, which are shared with members.

6. Project Execution & Lab Access –

- **Project Assignment:** Teams are formed based on interest and expertise. Each project must have a **team leader and mentor**.
 - **Lab & Equipment Access:**
 - Members can use club resources but must follow **proper handling procedures**.
 - Any damage to equipment due to negligence may require reimbursement from the responsible member(s).
 - Access to certain high-cost or sensitive equipment may require **prior approval** from the core team.
 - **Intellectual Property:** Any robotics projects developed under the club belong to the team and the club, and cannot be used for personal gain without approval.
-

7. Financial Policy –

- **Membership Fees:**
 - **New Members:** ₹10,000 per year (payable in two installments of ₹5,000 each).
 - **Renewing Members:** ₹2,000 per year.
- **Payment Schedule:**
 - **New Members:** ₹5,000 at the time of joining + ₹5,000 at mid-year.
 - **Renewing Members:** ₹2,000 at the start of the new membership cycle.
- **Expenses Not Covered:**
 - **Accommodation and food costs** for competitions, workshops, and events must be borne separately by members.
- **Travel Fee Reimbursement:**
 - Travel expenses for club-related activities will be refunded by the college.
 - Reimbursement applies **only to sleeper class train tickets** (other classes or modes of transport will not be covered).
 - If members travel in **AC class**, the refund **will be given equivalent to a sleeper class fare**.
 - Members must submit **valid travel receipts** and required documents for reimbursement.
- **Utilization of Funds:**
 - Purchasing robotics kits, components, and tools.
 - Organizing workshops, competitions, and guest lectures.

- Maintenance and upgrades of lab infrastructure.
 - Participation in national and international competitions.
 - **Competition Winnings:**
 - **The full amount won in competitions will be given to the students who participated.**
 - The club will not take any percentage of the prize money.
 - **Financial Transparency:** The **Treasurer** will maintain **detailed financial records**, and an annual budget report will be shared with members.
-

8. Event Management -

- **Workshops & Training:** Organized to train members in robotics, AI, and automation.
 - **Competitions:**
 - The club will **participate in and host robotics competitions**.
 - Members selected for competitions must demonstrate commitment and technical skills.
 - **Collaborations:** The club will seek **tie-ups with companies, research institutions, and alumni** to provide opportunities for members.
 - **Feedback & Improvement:** After every event, a **review meeting** will be conducted to discuss improvements.
-

9. Code of Conduct –

- Members must maintain **professionalism, teamwork, and respect**.
 - Any **misconduct, rule violation, or unethical behaviour** (e.g., plagiarism, misuse of funds, or damaging club property) may result in **suspension or termination**.
 - **Confidentiality:** Members must not share confidential club projects or strategies with external organizations without approval.
-

10. Amendments & Review –

- This SOP will be **reviewed annually**, and necessary updates will be made.
 - Any changes require **approval from the core team and faculty advisor**.
-

11. Approval & Signatures –

- **Approved by:**

Ashutosh Maske

Founder & Faculty Advisor, Texcelrators Robotics Club
